Laguna

RESIDENCE BY ONE DEVELOPMENT

“Laguna”, because what's better than the refreshing vibe of lagoons? Inspired by our hero amenity, the largest lagoon on a podium! our project is designed around everything you love; the beauty, the fun, and the tranquility, complimenting the elevated lifestyle that we promise.

Sky is The Limit!

The two towers, **Tiffany** and **Cyan**, perfectly capture the essence of Laguna Residence. **Tiffany** is associated with sophistication and elegance, while **Cyan**, a refreshing shade of blue, reflects the serene, clear waters of the lagoon. Together, they create a perfect balance between nature and modern living that we promise.

Endless vacation vibes,
steps from your door.

Laguna Residence offers more than just a home! it's a serene escape in the middle of Dubai's vibrant energy.

A stylized map of Dubai, United Arab Emirates, in shades of blue and teal. The map shows a network of roads and water bodies. A specific area is highlighted with a white outline, and several orange dots are placed at key locations. Lines connect these dots to a list of landmarks and their travel times from the highlighted area. The text 'Just around the corner!' is written in a large, elegant, light-colored serif font in the upper right. The word 'Laguna' is written in a smaller, white serif font with 'RESIDENCE' in a very small font below it, near the highlighted area. The background of the map shows the coastline and some major roads like Sheikh Zayed Road and the Dubai Metro line.
